

Connector block set ILLZSET5G25

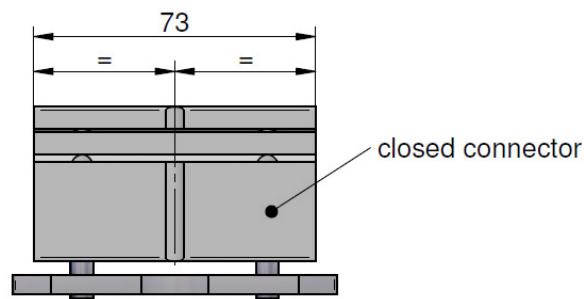

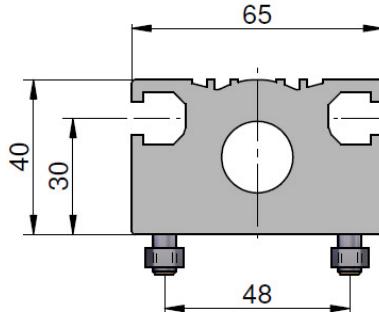

BSP 1" **asa rail**

ported block (2x)

closed block (2x)

Technical Data

description	order number	block material	o-ring material	o-ring dimension [mm]	weight [kg]
connector block BSP 1" ILLZSET5G25		aluminium	NBR, 70 shore	35 x 3	2,0

content

ported block	2x
closed block	2x
o-ring	4x
slot nut	8x
plug screw G 1/2"	2x
sealing G 1/2"	2x
screw M6x25	16x
spring ring	16x

Please read manual before installation!

This data sheet shows a technical overview of our products. Please contact us if more exact information is needed. As we are constantly improving our products, their characteristics, dimensions and weights may also change, although we do our best to keep these changes continually. The information in this data sheet is intended to be used as a first general guideline only. asa assumes no liability for any information therein, any errors, omissions, misprints, nor any direct or indirect damages, losses or costs resulting therefrom. The cooling performance and the general technical values indicated in this catalogue are measured at a test bench according to asa testing procedures. Because there is no standardized testing procedure, tests used by other manufacturers could have different results. Due to different conditions in testing and application environments the cooling performance may also vary by +/- 15%. Therefore we recommend all coolers to be checked under the system operating conditions. This is also true of vibrations and mechanical stress as well as for pressure peaks and thermal stress and any other relevant factors.
